### **President's Message**

Hello again VRCers This month is the start of the 2024/2025 club season. Were looking forward to all of our returning snow birders over the coming months.

We had a pretty uneventful summer at the field, and that's good. A huge thanks to the Kinney's and their crew for the fabulous job of mowing throughout the summer and for all of the field improvements they have made. Well done.

Elections will be held at the December meeting as usual, and nominations will be held at the November meeting. The officer positions up for reelection are the VP and treasurer, and the incumbents, Lee Shaver and Dave Walters respectively are planning to run. The board member at large at the end of his term is George LaBlance, filling Mike Schaefer's 2021 position. George also plans to run for reelection. If no opposing nominations are made, their reelection will be ratified by voice vote at the December meeting.

The board has discussed the need for a dues increase, and this will be discussed at the upcoming membership meeting. Your input will be appreciated.

Finally, the 2025 Wings Over Venice will be run next year continuing a long club tradition PROVIDED we receive adequate volunteers to staff the key positions. You will be receiving an email to this effect soon. Please consider how you could contribute.

President, *John Dexter*
